

Storage & Material Handling Equipment for Industry & Warehousing

Since 1950

Purdy Company, headquartered in Columbus OH, is a trusted distributor in the storage and material handling space. Purdy has been providing our nationwide customer base with products, solutions and installation services since 1950. We have earned long-standing relationships with our customers through devoting time to clearly understand their objectives in order to provide innovative, specifically tailored, and the most cost-effective solutions. Our products and solutions make the customer's workplace safe, productive and efficient, setting Purdy Company apart from others in this space.

The foundation at Purdy Company centers around our strong vendor relationships, making us one of the most reliable and trusted partners in the market. By partnering with Purdy Company, our customers gain the knowledge, expertise and experience of not only our seasoned sales and installation staff, but also the years and quality workmanship of the best storage and material handling equipment manufacturers in the business.

If your project requires innovative solutions, the highest quality products and unmatched service and installation, call Purdy Company today.
